

March 7, 2014

To whom it may concern;

**Announcement of Organization Change**

We are pleased to announce that Fine Chemical Businesses of API Corporation (APIC), including AQUAMICRON Karl Fischer Reagent, will be consolidated to Mitsubishi Chemical Corporation (MCC) on April 1, 2014.

With this change, we will be able to use MCC's worldwide distribution network and provide our products with better services.

There is no change for a contact person in charge of AQUAMICRON though; the new sales window and location will be known as:

Specialty Chemicals Department 2,  
Performance Products Division, Mitsubishi Chemical Corporation  
1-1-1, Marunouchi, Chiyoda-ku, Tokyo 100-8251, Japan  
Tel +81-3-6748-7246, Fax +81-3-3286-1226  
E-mail [mcckf@cc.m-kagaku.co.jp](mailto:mcckf@cc.m-kagaku.co.jp)  
<http://www.mcckf.com>

We will be available at our new office from April 1, 2014. There should be no interruption in service.

We appreciate your business.

Please let us know if you need our assistance.

Yours sincerely,

Tetsutaro Kiya

Sales Manager

Fine Chemicals Department
